What to Expect: In response to COVID-19, our new mandates for PYO include basic social distancing guidelines and an appeal to guests of the farm to follow all good common sense and courtesy.

Basic Points & Guidelines:

- If you or someone in your party is feeling unwell, please stay home.
- If you're uncomfortable with the current environment, we encourage you to visit us the next soonest possible time.
- Non-compliant guests will be invited to leave and visit us another day.
- Mandatory use of face coverings for all guests when visiting the farm stand, Creamery, Orchard Grille, PYO registration and main festival areas.
- Due to social distancing challenges, guests opting to utilize our pick-your-own tractor shuttles are required to wear face coverings and asked to utilize provided sanitization facilities prior to and following use of these optional services.
